PRIMIS interregional programme (Piran-Koper-Muggia-Trieste)

Price for the trip: 60€ (the degustations are not included in the price)

Public: 30 people, tourists from all over the world (basic English knowledge) – not too old (there is much to walk)

Idea: The tourist guide can be one accompanying the group, but in the various cities we can offer some students to show around the city. This is important in order to make it even more interesting to tourists to listen to a young person.
